I may have the data. If not I will get it.

If I can have access to the RSK data, then yes.

We need to find a way around this obstacle. The data is available. Can we load into our own Scribe and by pass the "official" project database? We will just mark the map draft.

Subject: Dimock - RSK Data

Rupert,
It appears that not all the RSK-175 Data has been uploaded into Scribe yet. How would you like me to proceed with the RSK data map?
Thanks,

Suddha Graves
